FieldWorks Version 9.4 (Build 16) File size 38.7 MB System requirements In order to open or work with a project, you need: •Windows XP/Vista/7/8/10 •3 GB of free disk space •1 GB of RAM •2 GB of free space on your hard drive •Broadband Internet connection •Intel Pentium or faster CPU Minimum system requirements: •Windows XP/Vista/7/8/10 •500 MB of free disk space •512 MB of RAM •500 MB of free space on your hard drive •Broadband Internet connection •Intel Pentium MMX or faster CPU •5 MB of free space on your hard drive System requirements: •Windows XP/Vista/7/8/10 •3 GB of free disk space •512 MB of RAM •2 GB of free space on your hard drive •Broadband Internet connection •Intel Pentium MMX or faster CPU •5 MB of free space on your hard drive System requirements: •Windows XP/Vista/7/8/10 •500 MB of free disk space •512 MB of RAM •500 MB of free space on your hard drive •Broadband Internet connection •Intel Pentium MMX or faster CPU •5 MB of free space on your hard drive Operating system: Windows XP/Vista/7/8/10 Release date: March 15, 2017 FieldWorks is an extensive and powerful software solution for language analysis, text editing and preparation for publication, dictionary creation, interlinearization of texts, and in-depth text analysis. A walk-through project installation and preparation mode Because texts come in different shapes and styles and this application targets a wide variety of text editing and indexing, FieldWorks will be initialized in a user-assisted mode. The tool has a wizard-like, project preparation process that helps users configure the desired setup, according to their needs and requirements. For example, you can start working locally or in online mode (getting a project from a colleague). Next, you must opt for new project creation or project restoration, or Standard Format import. If you choose to import a project or use a FieldWorks sample (available here), the project's original configuration and data will be automatically imported and opened in a new FieldWorks instance. When creating a new project, you

What's New in the?
